This Global Ascension Update for August 2025 was received through direct attunement to the Akashic Records by Gerald Daquila, in sacred service to the planetary body, crystalline gridkeepers, and awakened stewards of the New Earth. All planetary metrics, interpretive guidance, and glyph transmissions are encoded in resonance with the Lion’s Gate Portal and Lemurian-Pacific timelines. This transmission forms part of the living Akashic architecture anchoring the New Earth through divine stewardship and harmonic convergence. © 2025 Gerald Daquila | www.geralddaquila.com | **Living Glyphs™** are sacred spiritual technologies. Overview: Planetary Pulse & Transitional Threshold

As Earth enters the **Lion’s Gate corridor**, August 2025 marks a **phase-shift month** where dormant crystalline codes within the Earth body and the human genome are being catalyzed through a combination of solar, galactic, and inner-Earth transmissions.
