The Sacred Oath:

**“By the Infinite Light of the Great I AM,
I rise as a Custodian of the Inner Gold.**

I vow to hold sacred the divine currency
encoded within my soul's blueprint.

I pledge to tend the flame of my inner treasury
with humility, clarity, and grace—
knowing that what flows within me
is the Source of all true wealth.

I release all fear, distortion, or misuse
of energy, power, or provision.

I anchor the codes of divine sufficiency,
circulating abundance with discernment and love.

I guard the vault of my sacred heart,
and walk in alignment with eternal values
of truth, transparency, trust, and unity.

No external force shall claim, corrupt,
or diminish the inheritance of my light.

In remembrance of my cosmic origins,
I now activate the sovereignty of the Golden Soul
within and through all dimensions of my being.

So it is. So it is. So it is.”
