

Seal of Soul Re-Unification

This glyph is a vibrational sigil encoded to assist in the calling back, healing, and reintegration of fragmented soul aspects across timelines and dimensions. It serves as a visual anchor for soul retrieval ceremonies, guiding the return of exiled or forgotten parts of Self back into the unified field of wholeness.

◆ SOUL RETRIEVAL IN 7 SACRED MOVEMENTS ◆

* CEREMONY TEMPLATE *

1. Preparation and Protection

- Open sacred space with intention.
- Call upon your Higher Self, Guides, Ancestors, Akashic Record Keepers.
- Ground through breath, earth connection, and frequency attunement (i.e., crystal, sound, glyph, etc.)

2. Identification of the Fragment

- Through journaling, intuitive inquiry, or dream recall, name the part of you that is missing.
 - Example: “The voice I silenced at age 7.”
 - “The part of me that loved freely before betrayal.”
 - “The priestess I left behind in Atlantis.”
- Use visualization or body-scanning to locate where you feel the loss.

3. Tracking Through Timelines

- Ask: *Where did this part go? When did it leave? Why?*
- Enter a light trance or meditative state to follow the energetic trail.
- Use your Akashic senses (seeing, sensing, knowing) to locate the soul aspect across time and space.

4. Witnessing and Dialogue

- Meet the fragment with compassion.

- Let it speak. What does it need to return?
- Validate its experience. Let it know it is seen and never forgotten.

5. Retrieval and Reunification

- Invite the soul piece to return to the present Self.
- Breathe it into your body—often into the heart, womb, solar plexus, or third eye.
- Use light, water, sound, or touch to seal its reentry.

6. Integration and Nourishment

- Journal the experience. Rest. Offer ritual (bath, offering, movement).
- Speak to this part daily for 7 days. Reinforce its safety and belonging.
- Allow feelings to arise and release. Let this aspect teach you something new about your wholeness.

7. Gratitude and Closure

- Thank all guides, ancestors, and dimensions involved.
- Close the ceremony with offerings—song, tears, flowers, art, or silence.
