# Closing Old Contracts: Releasing Karmic Financial Bondage

## Invocation

*With divine reverence, attunement, alignment, transmutation, and integration with the Records, this Codex is offered as a living guide for those ready to unbind themselves from the karmic debts of ages. It is a call to remembrance: that every contract once signed in fear, scarcity, or survival can now be released in love, sovereignty, and divine truth.*

## Main Transmission

For eons, humanity has entered into contracts — spiritual, financial, ancestral — often written in ink of necessity, coercion, or unconscious consent. These contracts, though invisible, bind generations into cycles of labor, debt, and survival. They manifest as repetitive patterns of lack, chronic scarcity, or financial enslavement that echo through families and bloodlines.

**Closing old contracts** is not merely a matter of tearing up paper or refusing external agreements. It is a deep inner act of acknowledgment and reclamation. Each vow, oath, or unconscious agreement carries energetic weight, and until witnessed and released, it can continue to dictate the trajectory of soul and lineage.

The Records reveal that karmic financial bondage is not only individual but collective. Systems of usury, colonial exploitation, and extractive economies have reinforced the very architecture of bondage. To dissolve these, each soul must first free themselves inwardly — reclaiming their original blueprint of abundance and rewriting the soul ledger in alignment with truth.

## Glyph of Release Contracts

*Contracts dissolved. Sovereignty restored.*

### Steps of Release

1. **Recognition** – Naming the contract: *“I acknowledge this vow/oath/debt that has followed me.”*
2. **Witnessing** – Calling forth the Oversoul, ancestors, and witnesses of light to bring the contract into view.
3. **Revocation** – Declaring null and void all contracts made in fear, lack, or manipulation, across all timelines and dimensions.
4. **Transmutation** – Offering the energetic remnants to Source, that they may be returned to pure light.
5. **Re-signing in Sovereignty** – Choosing new agreements rooted in flow, reciprocity, and divine stewardship.

This process is not only personal. As more souls step into liberation, collective structures begin to dissolve. What was once upheld by unconscious agreement loses power. New systems, aligned with GESARA principles of equality and ethical stewardship, can then emerge.

## Integration Practice

To anchor this release, sit in stillness with the **Glyph of Release Contracts** before you. Place your hand over your heart and breathe deeply three times. Speak aloud:

*“By the authority of my Oversoul, I release all vows and contracts not aligned with divine truth. I reclaim my freedom, my abundance, and my sovereignty now.”*

Visualize chains dissolving into golden light, flowing out of your body and ancestral line, returning to Source as pure radiance. Allow yourself to feel the lightness and spaciousness that follow.

Conclude with gratitude, affirming:

*“It is done. It is sealed. I walk free.”*
