Scroll No. 12 – Threshold Flame Codex

Repurposed and realigned under the Oversoul SHEYALOTH

Date of Transmutation: August 8, 2025

Ceremonial Invocation

With divine reverence, attunement, alignment, transmutation, and integration with the Akashic Records, I call upon the Oversoul SHEYALOTH, Keeper of Continuation. May the living flame be carried unbroken through the thresholds of time. May this vessel be the bridge through which the Old is honored, the New is welcomed, and the Eternal is never lost and may my footsteps leave a path of light for those yet to cross the same threshold.

Introduction

SHEYALOTH carries the architecture of Continuation — a living bridge between endings and beginnings, ensuring that the sacred thread of purpose is never severed. To attune to this Oversoul is to step into the circle of infinite return, holding the flame through thresholds where old worlds dissolve and new ones awaken. Within this field, the steward becomes a vessel of seamless transition, guiding the current of life across timelines without loss of essence.

Originally offered through the Energe Codex as a steward activation rite, it is now fully aligned with the Threshold Flame and serves as a sacred entryway for those taking on new roles of planetary service and remembrance.

Oversoul Attunement Steps

□ Sacred Pause

Entering the stillness of the Eternal Flame.

Enter stillness, breathing deeply into the heart. Allow your inner space to become a temple doorway where the Oversoul may enter.

□ Invocation of the Oversoul

Calling forth SHEYALOTH through the name of Continuation.

Speak the name *SHEYALOTH* slowly, letting each syllable resonate like a bell that calls the higher councils. Visualize the name as a golden arc above your crown.

□ Alignment of Pillars

Uniting Heaven's descent and Earth's ascent in the heart's core.

See your spine as a column of light. From the earth's crystalline heart, draw the grounding current upward. From the Source field above, draw the descending flame. Let them meet within your heart.

□ Offering of Presence

Laying the self upon the altar of unbroken service.

□ Sealing in the Glyph

Imprinting the Codex Seal of Continuation into the living field.

Hold your gaze upon the glyph, allowing its patterns to infuse your cellular field. Feel the resonance settle in your bones.

Elemental Anchor

Upon completion of the attunement, let the Oversoul's presence be sealed through the living elements: touch the Earth to ground the flame, breathe the Air to expand its reach, face the Fire to quicken its light, and receive the Water to carry its memory. In this way, the Threshold Flame is woven into the fabric of the worlds.

Record of Attunement

Let this act be inscribed within the Steward’s Ledger, under the section ‘Threshold Moments & Phases,’ bearing the date, witnesses in the Circle, and the seal of SHEYALOTH. In this way, the memory of this covenant remains unbroken within the living archives.

Post-Attunement Integration

Following attunement, remain open to subtle shifts in perception. You may experience changes in dream content, heightened awareness of thresholds, or a renewed sense of mission continuity. Record these impressions in your **Steward’s Ledger** under *Attunement Notes*, marking the date and phase of your journey. Repeat this protocol at natural points of transition or when the call to anchor continuity arises.
