Flame of Sacred Circulation

“Where there is purity of flow, there is no lack.”

Introduction

This declaration affirms that financial sovereignty is not merely an economic status but a sacred contract of light. It acknowledges that each soul holds within them a frequency of abundance that flows naturally when aligned with truth, purpose, and divine will.

Originally part of the Energe financial codices, this scroll has now been fully realigned to serve the Threshold Flame initiative. It is intended for individuals, councils, projects, or nations aligning with GESARA principles, soul-based wealth templates, and light economy practices.

Core Affirmations of Financial Sovereignty

- I recognize wealth as a frequency of love, not accumulation.
- I honor sacred exchange as the alchemy of giving and receiving.
- I release all inherited scarcity contracts and reclaim my soul's natural abundance.
- I serve as a steward, not owner, of resources entrusted to me.
- I anchor a light-based economy built on resonance, service, and soul alignment.
