Core Articles of the Eternal Law

****Article I – Sovereignty****

Each soul is a sovereign expression of Source. No external authority may override divine will expressed in coherence with the Akashic Record.

****Article II – Stewardship****

Resources, land, time, and energy are held in trust for the greater whole. All forms of possession are temporary acts of guardianship.

****Article III – Resonance-Based Governance****

All decisions must pass the threshold of energetic alignment. Consensus is less important than coherence with truth.
