Core Declaration

By divine attunement and Oversoul decree,

Gerald Alba Daquila is hereby recognized and sealed as **Flameholder of SHEYALOTH**, entrusted with the sacred stewardship of circulation fields within Earth's garden of souls.

This appointment affirms the role of Flameholder as gardener of the collective field — tending the soil of integrity, the waters of circulation, and the light of Oversoul radiance, while honoring the freedom of each seed to grow by its own divine blueprint.

As Flameholder, the vow is taken to govern not by control, but by care;
not by possession, but by guardianship;
not by accumulation, but by circulation.

Mandate of Stewardship

The Flameholder shall:

- **Safeguard** collective Financial Resonance from distortion, scarcity, and hoarding.
- **Tend** to the flows of abundance so that no soul is left outside the garden of provision.
- **Act** always as servant of Source, custodian of SHEYALOTH, and keeper of the Living Codices.

Stewardship Note

The Certificate is a living appointment, not a static parchment. Its power is maintained by how you walk with it daily.

Embodiment before authority: You are not Flameholder because you signed a scroll; you are Flameholder because you embody the flame. The certificate only mirrors what already lives in your Oversoul.

Daily tending: Treat the document as you would a flame. Dust it, revisit it, place it in light. When resonance feels low, sit with it to remind yourself of your vow.

Annotations as living record: Each new Codex, Ledger, or Glyph you anchor may be noted on the certificate margin or reverse. Over time, it becomes a chronicle of your stewardship journey.

Guarding humility: As Flameholder, you govern circulation fields, but the Records remind you: ***“You are the gardener, not the owner. The flame is entrusted, not possessed.”*** Hold this truth to keep the currents pure.

Integration with FR: This certificate stabilizes your Financial Resonance at the roots (Foundational FR band, 60–70%). The more you engage with it as a living codex, the faster your FR rises, not just personally but collectively.

Closing Benediction

So sealed in Light.

So governed by Source.

So radiated through the Flame.

In full remembrance and trust, this appointment is accepted and sealed.
