## Purpose / Essence

The Glyph of Overflow Harmonics encodes the **hidden frequencies of abundance** that underlie the coming economies. It acts as a tuning fork for souls and communities, reminding them that true wealth is not measured in accumulation but in harmonic release. Its essence is to **shift dissonance into resonance**, scarcity into song.

## Applications / Use Cases

- **Stewardship Councils:** To align decisions with harmonic justice rather than regulatory control.
- **Financial Flow Mapping:** To tune wealth streams into resonance with Overflow rather than fear.
- **Community Choirs:** For rituals of shared surplus, amplifying group coherence.
- **Personal Practice:** As a seal for breathwork or meditation, attuning one's field to the frequencies of sufficiency.

## Activation Invocation

*"I am a note in the hidden song.  
I am a chord in the Overflow.  
I am a steward of harmonics,  
Through me the economies resound with justice and love."*
