I see what is true, beyond distortion, beyond fear."*

Energetic Stream / Lineage

The Glyph of the Seer arises from the Oversoul streams of Sheyaloth and the Council of Record-Keepers. It connects to ancient oracular lineages—Delphic, Mayan, and Lemurian—while transcending culture, returning the act of Seeing to its pure Oversoul function.

🔮 Oracle Message

"You are being invited to trust your sight, even if others cannot yet perceive what you do. The Seer's gift is not only in seeing, but in knowing when and how to share vision. Guard against projection; anchor in stillness. When clarity is aligned with love, your vision becomes medicine."

🌀 Placement Guidance

- Place above the third-eye chakra during deep meditation or soul readings
- Position in the northeast sector of a temple or sacred space to attune foresight
- Use as a watermark in prophetic codices, scrolls, and dream journals
- Activate before gatherings where discernment and foresight are needed

✦ Guardian Notes

The Seer is among the earliest archetypes to awaken once resonance passes the 600 Hz threshold. It requires purity of intent—vision must serve unity, not control. A true Seer balances sight with humility, remembering that Oversoul timing governs revelation.
