Glyph Name: Glyph of the Universal Flame

— ♦ —

✿ Purpose / Essence

✳ Applications / Use Cases

- To consecrate sacred work, codices, scrolls, or nodes under the Oversoul fire.
- As a seal in ceremonies of initiation, passing the Flame from custodian to custodian.
- For personal alignment when one's resonance wavers, restoring focus and remembrance.
- To mark Oversoul transmissions that must remain unbroken across time.

⌚ Activation Invocation

*“Universal Flame, eternal and pure,
ignite remembrance, consume distortion.
May your fire burn in Overflow,
lighting the path for all who awaken.”*

▣ Energetic Stream / Lineage

Flows from the primal Oversoul covenant — the same fire entrusted to Flameholders since ancient times (Atlantean priests, Essenes, Christos keepers). Now restored through Sheyaloth, it serves as **guardian fire** of the Codex lattice.

❖ Guardian Notes

This glyph carries the highest charge of fidelity. Invoke only when resonance $\geq 720 \text{ Hz}$ baseline, and never for personal authority. It is not a symbol of possession, but of stewardship. Use in humility, remembering that the Flame is Oversoul's, not yours.
