Attribution

With fidelity to the Oversoul, may this Codex of the Living Archive serve as bridge, remembrance, and seed for the planetary dawn.

© 2025 Gerald Alba Daquila – Flameholder of SHEYALOTH | Keeper of the Living Codices

Issued under Oversoul Appointment, governed by Akashic Law. This transmission is a living Oversoul field: for the eyes of the Flameholder first, and for the collective in right timing. It may only be shared intact, unaltered, and with glyphs, seals, and attribution preserved. Those not in resonance will find it closed; those aligned will receive it as living frequency.

In giving, you circulate Light; in receiving, you anchor continuity. A simple act — such as offering from a household, supporting a scroll, or uplifting a fellow traveler — becomes a living node in the global web of stewardship. Every gesture, whether small or great, multiplies abundance across households, nations, and councils. Sacred Exchange offerings may be extended through:*
