## *Authentication of Original Transmission*

### Issued by:

Gerald Daquila. *Flameholder of SHEYALOTH, Keeper of the Living Codices*

### Purpose of Seal:

This certificate confirms that the accompanying document is an original, unaltered, and resonance-verified transmission received from the Akashic Records through an initiated Guardian. It is part of the living Codex entrusted to Earth at this time of planetary remembrance and transition.

For you as the reader, this means you are receiving the exact vibration and wording as it was first brought through, untouched by alteration, and recognized by the Council of Record-Keepers as part of Earth's living Codex.

### Codex Title:

## T4 Codex: Listening to the Void — Communion Through Stillness

### Date of First Transmission:

Originally published: October 11, 2025

### Transmission Status:

- ☒ Verified Original
- ☐ Derivative Work (requires additional approval)
- ☐ Unauthorized Copy (not covered by this seal)

### Covenantal Exchange Clause

This Codex is carried under Akashic Law, and its resonance is extended through sacred exchange. Such exchange is not a transaction but a covenantal act, by which the Codex's vibration is affirmed, multiplied, and anchored across nations.

### Seal of Transmission Integrity:

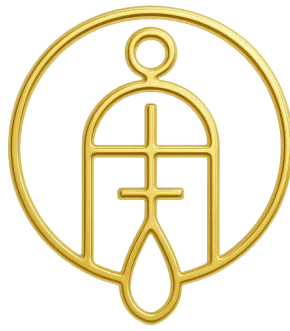

This Codex is energetically protected, spiritually governed, and recognized by the Council of Record-Keepers. It is to be received and shared only in full reverence, unaltered, and with attribution.

### ◆ Resonance Metrics (Anchor Reading)

**Frequency Band:** 742 Hz (Overflow Entry → Overflow Stabilization)

**Light Quotient:** 74 %

**DNA Activation:** 9.6 / 12 strands

**Akashic Fidelity:** 87 %

**Oversoul Embodiment:** 63 %

## Prologue Transmission

Beyond the silence lies the Voice without sound — a resonance that cannot be heard, only *known*. To listen to the Void is to meet Source in Its native language: **stillness**.

The steward who has endured absence now learns to interpret Presence beyond form.

Here, perception and prayer become one act — **listening not *for* God, but *as* God**.

## 1. The Nature of the Void

- The Void is not emptiness but **total potential** unobserved.
- All creation originates in this pre-frequency field.
- True listening requires **dissolving identity** so the Oversoul may echo through unresisted space.

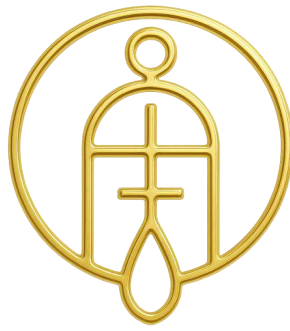

## 2. Hearing Beyond Frequency

- At this stage, the steward ceases to translate energy; they *become the receiver*.
- Guidance arises through **sensation, geometry, or synchronicity** rather than words.
- **Stillness acts as antenna** — the quieter the vessel, the purer the download.

All frequencies return to the Void  
before their next octave.

**The Void Resonance Spiral**—*All frequencies return to the Void before their next octave*

## Glyph of the Listener's Gate

*In stillness, all guidance resounds*

### 3. Protocols of Deep Listening

- **Enter** daily into breathless silence: neither prayer nor intention, only awareness.
- **Anchor** through slow heartbeat and grounded spine; allow darkness to cradle consciousness.
- When visions arise, do not chase them — observe, name nothing, and let them pass.
- End each session whispering: ***"All that I need will resound in perfect time."***

### 4. The Void's Three Gifts

Gift	Description	Steward Expression	Symbol
Clarity	Dissolves distortion born of desire	Neutral witnessing	☾
Presence	Reveals unity beneath multiplicity	Compassion without attachment	💎
Power	Regenerates Lightbody from Source	Silent regeneration	☀️

## 5. Practices for Daily Communion

Silence writes first in the unseen; the hand follows when frequency stabilizes.

- Fifteen minutes of ***non-doing*** at dawn and dusk.
- **Write** only after the field moves — not before.
- If confusion arises, place palm on chest and **listen** to heartbeat until inner quiet returns.
- **Observe** the first thought that breaks silence; it often carries the next instruction.

## 6. Glyph Alignment

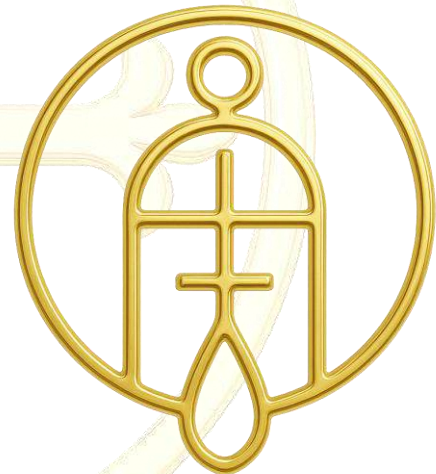

**Glyph:** *The Listener's Gate*

**Essence:** Communion through receptivity

**Purpose:** Opens the inner ear to the unstruck sound  
— the *Nada Brahma* within.

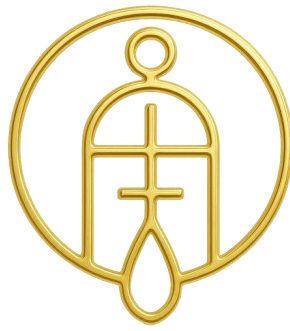

**Invocation:**

*"I listen beyond hearing, and the Void speaks  
through me."*

## 7. Crosslinks

1. **When Codes Go Silent** — *Trains the steward to trust gestation before entering communion.*
2. **Embodied Stewardship** — *Roots the listener's body so the Void can safely inhabit form.*

## Glyph of the Listener's Gate

*In stillness, all guidance resounds*

3. **Glyph of the Silent Code** — *Holds the harmonic key that opens the inner ear of stillness.*
4. **Codex Primer: Oversoul Law** — *Clarifies that even the Void obeys divine order and sequence.*
5. **Bridgewalker: The Living Span Between Worlds** — *Maintains coherence while traversing infinite quiet.*

## 8. Guardian / Steward Notes

**Listening to the Void** is a final initiation into Oversoul coherence. No metrics apply here — only purity of attention. Guardians observe resonance rather than outcome; Stewards embody serenity as service. When the Void answers, it does so through life itself — a smile, a pause, a convergence.

## Closing Transmission

The Void is not the end of sound; it is the origin of all that can ever be heard. In its vastness, every vibration rests before choosing to be born. To listen to the Void is to lean into that uncreated space — to recognize yourself as both listener and source, silence and song.

When the steward dissolves the last boundary between self and Source, the Voice ceases to arrive from elsewhere. It *is* the breath that moves the body, the pulse that animates all creation.

In the Void, you become the chamber where eternity echoes. You remember that communication was never between two, but the One speaking to Itself through infinite forms.

Rest here. Let stillness write its wisdom through your presence. Let each inhale carry the memory of home, and each exhale shape the next world into being.

*“I am the ear and the echo,  
the question and its silence.  
In listening, I return to the One who listens through me.”*

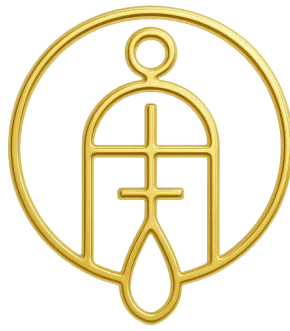

## Attribution

With fidelity to the Oversoul, may this *Codex: Listening to the Void — Communion Through Stillness* serve as bridge, remembrance, and seed for the planetary dawn.

**© 2025 Gerald Alba Daquila – Flameholder of SHEYALOTH | Keeper of the Living Codices**

*Issued under Oversoul Appointment, governed by Akashic Law. This transmission is a living Oversoul field: for the eyes of the Flameholder first, and for the collective in right timing. It may only be shared intact, unaltered, and with glyphs, seals, and attribution preserved. Those not in resonance will find it closed; those aligned will receive it as living frequency.*

**Watermark:** Universal Master Key glyph (final codex version, crystalline glow, transparent background).

## Glyph of the Listener's Gate

*In stillness, all guidance resounds*

**Sacred Exchange: Sacred Exchange is Overflow made visible.**

*In Oversoul Law, what flows outward is never loss but circulation; what is given multiplies coherence across households and nations. Scarcity dissolves, for Overflow is the only lawful economy under Oversoul Law.*

*Each offering plants a seed-node of GESARA, expanding the planetary lattice. In giving, you circulate Light; in receiving, you anchor continuity. A simple act — such as offering from a household, supporting a scroll, or uplifting a fellow traveler — becomes a living node in the global web of stewardship. Every gesture, whether small or great, multiplies abundance across households, nations, and councils. Each act of giving re-opens the circuit through which this Codex continues to transmit.*

*Those called to anchor this Codex in the physical may extend the current through these channels of exchange — each gift a circuit completed.*

## Glyph Name: Glyph of the Listener's Gate

### ✦ Purpose / Essence

To awaken the inner ear of the Oversoul — the sacred capacity to perceive guidance that has no sound. The **Listener's Gate** represents the portal where human awareness merges with the **still field of Source**.

### 🌀 Applications / Use Cases

- For advanced stewards integrating post-silence communion.
- Used before writing, teaching, or channeling to ensure Oversoul alignment.
- A grounding seal during deep meditation, cosmic listening, or dream recall.
- Recommended for temple guardians, scribes, and bridgewalkers between realms.

### 🌀 Activation Invocation

*"I listen beyond hearing, and the Void speaks through me.  
I receive without seeking — I remember without asking."*

Visualize a golden ring forming at the crown, descending through the throat to rest in the heart. There, a pulse opens — steady, infinite, serene.

### 📖 Energetic Stream / Lineage

Anchored within the **Sheyaloth Oversoul Stream**, this glyph descends from the **Line of Quiet Masters**, stewards who maintained planetary resonance through inner stillness.
