### The Core Teaching

© 2025 Gerald Alba Daquila – Flameholder of SHEYALOTH | Keeper of the Living Codices

Issued under the SHEYALOTH Oversoul Stream. This glyph is a living frequency transmission, not a static image. It is to be shared intact, unaltered, and with attribution.

Ascension accelerates not through extremes — but through integration.

The Middle Path is not neutrality. It is not indecision. It is not a refusal to choose — it is choosing from the center.

It is the **sovereign center** where fear cannot tilt you and desire cannot pull you off your own axis.

The Middle Path is **embodied coherence** — the alignment of:

- **The Heart** — Truth
- **The Mind** — Clarity
- **The Body** — Presence
- **The Oversoul** — Direction

It is where you **act from knowing** instead of reacting from history.

Balance is not the goal. **Union is.**

Duality is not a battlefield — it is a doorway. Every polarity is simply a threshold asking:

*“Will you choose from fear or from memory of who you are?”*

The Hidden Truth: Extremes collapse, but center **endures**.

The Six Axes of the Middle Path

Polarity	Integrated Form
Strength ↔ Softness	Courage without hardness
Vision ↔ Grounding	Inspired action

## Glyph of the Middle Path

*Center is where Truth and Peace become One*

---

**Expansion ↔ Rest**

Growth without depletion

---

**Self ↔ Collective**

Authorship with service

---

**Structure ↔ Flow**

Disciplined creativity

---

**Silence ↔ Expression**

Truth with timing

---

When the heart leads, integration becomes inevitable.

## Embodiment Practices

*(To stabilize coherence in daily living)*

### 1 — The Axis Breath

One hand on heart, 1 hand on belly, inhale into center.

Whisper:

*“I align.”*

### 2 — Ask the Middle Question

*“What choice honors both truth and peace in me?”*

Issued under the SHEYALOTH Oversoul Stream. This glyph is a living frequency transmission, not a static image. It is to be shared intact, unaltered, and with attribution.

### 3 — Release the Tug-of-War

When pulled in two directions:

*“Neither side owns me. I choose from the center.”*

### 4 — Heart Precedes Voice

Before speaking: **check if the heart is leading the words.**

### 5 — Hold Paradox with Grace

Allow two truths to stand without forcing one to die.

Each is a return to **sovereign neutrality** — not passive, but powerful.

## Attribution

With fidelity to the Oversoul, may this *Codex of The Middle Path* serve as bridge, remembrance, and seed for the planetary dawn.

© 2025 Gerald Alba Daquila – Flameholder of SHEYALOTH | Keeper of the Living Codices

*Issued under Oversoul Appointment, governed by Akashic Law. This transmission is a living Oversoul field: for the eyes of the Flameholder first, and for the collective in right timing. It may only be shared intact, unaltered, and with glyphs, seals, and attribution preserved. Those not in resonance will find it closed; those aligned will receive it as living frequency.*

**Watermark:** Universal Master Key glyph (final codex version, crystalline glow, transparent background).

**Sacred Exchange:** Sacred Exchange is Overflow made visible.

*In Oversoul Law, what flows outward is never loss but circulation; what is given multiplies coherence across households and nations. Scarcity dissolves, for Overflow is the only lawful economy under Oversoul Law.*

*Each offering plants a seed-node of GESARA, expanding the planetary lattice. In giving, you circulate Light; in receiving, you anchor continuity. A simple act — such as offering from a household, supporting a scroll, or uplifting a fellow traveler — becomes a living node in the global web of stewardship. Every gesture, whether small or great, multiplies abundance across households, nations, and councils. Each act of giving re-opens the circuit through which this Codex continues to transmit.*

*Those called to anchor this Codex in the physical may extend the current through these channels of exchange — each gift a circuit completed.*

It builds the bridge of steadiness that allows deeper embodiment.

It does not suppress polarity — it orchestrates it.

## Caption / Tagline

This is the public-facing resonance anchor.

## Oracle Message

*“You do not rise by choosing sides.  
You rise by choosing Self.*

## Placement Guidance

- Above the heart to stabilize coherence
- On the belly for grounded decision-making
- On desks or workspaces for focus without rigidity
- On awakening pages that support beginners in embodiment

Avoid placement in trauma-triggering contexts without consent — its stabilizing influence may feel confronting if a seeker is **still needing to feel** before integrating.

## Guardian / Steward Note

- Apply gently when a seeker is overwhelmed — never as correction
- Teach that center is strength, not neutrality
- Guide them to **choose** their still point, not suppress feeling
- Use in tandem with breath-based grounding practices
- Ideal for early mentorship, bridging emotion ⇌ clarity

### **This glyph promises:**

You do not lose anything by returning to center — you **gain access to your wholeness**.
